

## REMARKS

Claims 1-8 are pending. The Examiner has indicated that restriction is required, as claims 1-6 are drawn to a method and system for generating broadcast music, and claims 7-8 are drawn to a method for generating music. While Applicant respectfully traverses the restriction requirement, Applicant herein is amending claim 7, and submits that claims 7 and 8 as now presented should be examined along with claims 1-6. For purposes of responding to the restriction requirement, Applicant provisionally elects claims 1-6 for examination, while also requesting that the restriction requirement be withdrawn. No new matter has been added.

If there are any questions regarding this amendment, Applicant's Attorney requests an opportunity to discuss such questions with the Examiner by way of a telephone interview.

Please charge any additional fees due, or credit any overpayment, to Deposit Account No. 50-0251.

Respectfully submitted,
